

ATMOS × YOUR STUDIO

Your studio at ATMOS.

A regular series of private movement and
steam gatherings at DOMA, Mafra.

Movement, then steam.

- 01 Your teacher leads yoga, movement or another practice.
- 02 Our guides lead the steam ritual, with herbs, branches and cooling breaks.
- 03 Rest and conversation in the forest lounge.

Why host with ATMOS?

A collaboration that stands out
Your practice meets our steam ritual.
Something special to offer your community.

Easy to promote

The dome, the forest, people together. Plenty
for social posts, reels and a studio
photoshoot.

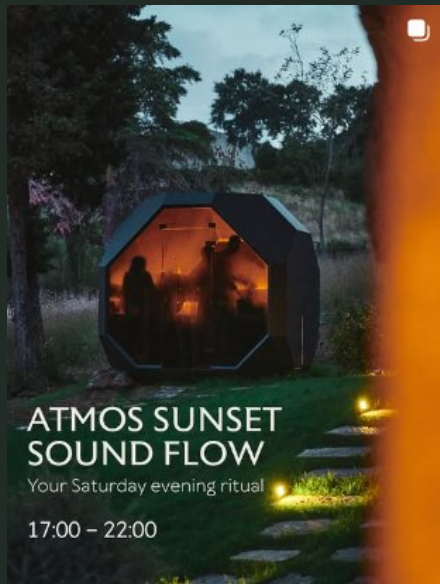

Hosts who bring people together

Communal sessions are the heart of ATMOS.
We love co-hosting and making sure
everyone has a good time.

We promote it together.

ATMOS and your studio share each event on our channels. Joint posts, stories and photos from the gathering help promote the next date.
